

K-Love has served me & my family on a daily basis by keeping my family connected in a positive way through the tuff and good times. it has had a positive effect on my 11 year old daughter by letting her know no matter what garbage music you hear on the radio, we have a choice on what to listen to because we've been blessed with K-love being an option. Today there is so much distructive music on the radio, and being a recovering addict both my son who already portrays these traits at age 10 with his mental illness, and daughter know we stand a chance in life to be sucess human beings through Christ. K-Love supports that by providing the music for there ears. Please acknowledge this, and my the Lors Bless You& Keep You Forever. Sincerly, Patricia Jones
